OFFICE OF PETITIONS

Dear Sir:

In an abundance of caution, the Petitioner/Assignee of U.S. Patent Application Serial No. 09/597,704 hereby submits a differential payment for the Notice of Appeal Fees that were paid on November 5, 2007 under small-entity status. Prior to November 5th, this patent application was under a large-entity status. It is requested that **Deposit Account No. 50-0996 be charged in the amount of \$255.00 (8X8S.249PA)** to cover the differential for this appeal fee paid as a small-entity. Authorization is given to charge/credit the above Deposit Account if this amount is insufficient to cover said differential for all such fees through patent issuance.

Petitioner hereby revokes the Assertion of Small Entity Status filed on November 5, 2007. Petitioner respectfully requests entry of the herewith executed Notification of Loss of Entitlement to Small Entity Status and updated patent electronic file records to continue large-entity status.
